Steuben Trust Company Recognizes Outstanding Employee Contributions

HORNELL, April 13, 2017 - The Steuben Trust Company's Management and Board of Directors recognized the achievements and service of eight employees at the board meeting held April 13, 2017. The Board extended their gratitude and approved the promotion of the following officers.

Amy Muhleisen was appointed to the position of Senior Vice President. As Internal Auditor for almost 21 years, during a time of substantial growth for the Bank, Amy has earned various audit certifications to reflect the Company's growth and increased complexity of the banking industry.

Chris Brewer was promoted to the position of Vice President. As Commercial Loan Officer, primarily in the Hornell and surrounding communities, Chris provides assistance for start up and expansion of local businesses. He serves as Board Secretary and on several committees for Regional Economic Development Energy Corp. (REDEC) that provides financial and technical assistance for businesses in Steuben, Chemung, Schuyler and Tioga counties.

Cheryl Copeland was promoted to the position of Vice President. As Branch Manager for the Warsaw office she has been integrally involved in the branch's opening five years ago as well as its successful growth and performance. Cheryl completed the Leadership Wyoming program and is involved in various community organizations in the greater Warsaw area.

Beth Giles was promoted to Vice President. For the past 23 years with Steuben Trust, she has held various positions. She is currently Manager of the Arkport office and provides oversight for the Canaseraga office as well. Beth is involved in community initiatives in both Arkport and Canaseraga.

Ray Mazzella was promoted to Assistant Vice President. As the Company's Senior Credit Analyst he draws on his 30 years of accounting and analysis experience in his role in credit administration. He is a graduate of Alfred State College and Alfred University with an MBA from Michigan State. He teaches accounting part time.
